

REGIONAL QUEEN CONTEST POLICY

Because of the low number of Queen Contestants competing at the Regional Qualifying Rodeos in recent years, the SDHSRA Directors, along with Queen Coordinator Kellie Yackley, have determined that there will be one Queen Contest in each region. This will take place UNLESS there are 4 or more Queen Contestants entered in competition at one regional rodeo. You will still compete in your appropriate region.

You are encouraged to enter both contests on your Regional High School Rodeo Entry Application, in the event that two contests are needed. In the event that 2 contests are not needed due to the number of contestants (per the rule above), your fee for one contest will be refunded by your Regional Rodeo Secretary/Committee.

If there is a change of any kind, you will be notified on your Regional Entry Confirmation or by phone.

If you have further questions, Kellie Yackley will be happy to answer them for you. Her cell number is 605 280 9593.
