

Home Schooled SDHSRA Member -

I want to remind you of the SDHSRA Report card guidelines so you can make sure there is no problem with your report cards when they are checked at the Regional Rodeos.

The requirements are the same for those in the public school system and those that are being home schooled. **You need to have your year-end report card by the first Regional Qualifying rodeo.** If they are not issued until that week and you cannot get it, you need to bring it no later than the second Regional Rodeo in order to compete.

This is a requirement EVEN IF your home school program is year-round – you need to have the year’s work completed in time to get the year- end report card by the required day.

Please check with the home school organization that you go through, if that is the case, to make sure when you need to have your year-end work complete in order to get your report cards by the **3rd of June.**

If you need to contact them ahead of time and let them know that you need it, please do, so that you can rodeo this spring. *This is your responsibility.*

Practice rodeos will soon be under way and Spring should be here soon as well.

Good luck as you work toward the goal of making the
South Dakota National Team!
