## About Us

The Cowboy Roundup knows that our strength lies not only in the words we stand by, but most importantly through the actions of our initiatives. Although we started with a simple goal of orchestrating Cowboy reunions, we agreed what good is reminiscing the past if there is no future to continue the tradition. The Cowboy Roundup was formed, a foundation ensuring the youth of rodeo have the ability to further their skill set through education and experience and to promote the Love of God, Liberty for all Mankind, and Love of Country.
