

## **Cinnamon Johnston-Mullens Memorial \$1,500 Scholarship**

Tough as nails, passionate, and driven would be three words used to describe Cinnamon. She was a great competitor who performed in the northwest region during her high school career as well as many jackpots and playdays in Buffalo. The rural country life that she grew up with never held her back when it came to rodeo. Having a ranching background, she knew what it took to work hard and was never scared of challenge. She enjoyed competition and speed so much, which is why goat tying always seemed to be her favorite.

Cinnamon Johnston Mullens was born June 23, 1987, and passed away tragically February 25<sup>th</sup>, 2024, in Bokchito, Oklahoma while practicing in the arena at home with her family. She left behind her husband, Jeremy Mullens, stepchildren that she loved as her own from the time they were four- and six-years old Harlee Mullens, Jake Mullens, and her own two little boys Beckett, and Brewer, along with her parents and two sisters. All her family has been involved in rodeo their whole lives and love the community and sport.

Please fill out the following and **mail to address below before May 31st OR bring to Buffalo Regionals and turn in to secretary at check-in** to be considered for this scholarship.
